Dear Martin Meyers

On behalf of the Cape Music Institute, I wish to acknowledge and thank you for your organizations sponsorship of twenty CMI second year students to the Music Exchange conference this past weekend.

This conference has brought much excitement and given our students a foretaste and insight of the Music Industry as they prepare and end their studies ready to enter this new challenge. We are extremely grateful of the positive feedback from our students. Your dedication to our organization has provided many of our students with an experience that might not otherwise be available. We look forward to working with your organization in the near future.

If I can be of assistance in the future please do not hesitate to call our offices
One again thank you for support

Deputy Principal
